

BREAKFAST BANANA SPLIT

Serves
4

Prep
10 minutes

Here's a wonderful breakfast version of favourite banana split. Forget the ice cream and use Greek yogurt and granola instead – then top with refreshing Princes fruits.

Cooks Tip:

Try using porridge oats combined with a few mixed seeds instead of granola. For extra flavour, toast them in a dry frying pan for 1-2 minutes to bring out the flavour.

For extra indulgence, drizzle with golden syrup or clear honey.
